OTTO'S JACKET

"Lennon Entertainment has had the pleasure of booking Otto's Jacket for a few shows now. Each time, their performance and sound has been tight, sleek and professional and their attention to detail is second to none on and off stage. These are just a couple of the reasons why I'd have them play at any of my functions any day."

Jordan Lennon; Lennon Entertainment

"Otto's Jacket have played for us a number of a times and every time the crowd response has been awesome. The guys are super professional and have a really cool sound."
